

Have you seen these squirrels?

Report your sightings at scottishsquirrels.org.uk

Saving Scotland's Red Squirrels is working to protect areas where red squirrels are thriving and control the spread of the non-native grey squirrel, which threatens the red squirrel's future in Scotland.

By reporting your sightings of both species to Saving Scotland's Red Squirrels, you'll be helping us ensure red squirrels will always have a home here.

For other enquiries, contact your local red squirrel Conservation Officer: scottishsquirrels.org.uk/contact
